

WALPOLE WATER DEPARTMENT

WATER CONSUMER NOTICE

The Water Department will be conducting hydrant flow testing in the West Street, Lincoln Road area of Town on Wednesday, August 13th between the hours of 9:00 p.m. and 6:00 a.m.

As a result of the system disturbance that will be created during the testing, some discoloration of the water in the area of the work is expected and consumers should check the clarity of their water prior to use.

Should rust sediment be present wait approximately 2 hours for any disturbance that was created to settle and then run the cold water faucet nearest the water meter until clear. **DO NOT RUN THE HOT WATER UNTIL THE COLD WATER HAS CLEARED.**

The Water Department apologizes for any inconvenience that may occur as a result of this program.

Additional information related to this program including specific locations can be obtained by contacting the Water Department at 508) 660-7307 or www.walpole-ma.gov.
